WHP STATIONS

May 13, 1986

Mr. Bill Burrowo
709 Division Street
Gloucester City, N.J. 08030

Dear Mr. Burrowo:

This letter will confirm your reception of "Greateradio 58." Our AM station operates with a power of 5000 watts; non-directional antenna daytime and a six (6) tower directional antenna after sunset.

Enclosed is a coverage map showing our 0,5 mv/m daytime contour.

Very truly yours,

Maurice Gannaway
Director of Engineering
WHP Stations
